

EDUCATION SPECIALIST CREDENTIAL

You have been issued a Preliminary Level I Education Specialist Credential.

This credential is valid for five years from the date of issuance. The date of issuance is the date your employer indicated was your initial date of employment in the specialist position. During the term of this credential you must complete the requirements for the professional clear level II credential. These requirements are listed on your credential and explained below.

Requirements for the Professional Clear Level II Education Specialist Credential:

Applicants must satisfy **all** of the following requirements

1. Complete an **individualized induction plan** designed in collaboration with your employer and a California college or university with a Commission-accredited education specialist program in the area of specialization listed on the preliminary level I credential (This plan will include academic requirements applicable to all Level II candidates as well as individualized studies and consultations specific to your assignment. This plan may contain up to 25 percent nonuniversity-based activities, if approved by the college or university administering the program.)
2. Health Education – complete a unit requirement in health education, including, but not limited to, nutrition; the physiological and sociological effects of abuse of alcohol, narcotics, and drug abuse, and the use of tobacco (This requirement must include verification of training in cardiopulmonary resuscitation (CPR) that covers infant, child, and adult CPR skills. CPR certification must be completed while enrolled in a teacher preparation program or while teaching on a valid credential based on a teacher education program.)
3. Computer Education – complete a computer education course, which includes general and specialized skills in the use of computers in educational settings
4. Complete of a minimum of two years of successful experience in a public school (or private school with equivalent status) while holding the Preliminary Level I Education Specialist Instruction Credential, verified by your employer
5. Obtain a formal recommendation for the credential by the college or university through which your induction plan was completed (See attached list of California college or universities with Commission accredited programs.)
